~ Go to the Festival Information Booth for check in. You will need to sign a hold harmless agreement, which you will be given, and pick up your booth number sign before setting up. You will need the following to check in:

- 1. Sun Valley Tax Permit**
- 2. A phone number where we can reach you after Festival Hours in case your tent is blowing away.**

SET UP

~~Please be aware of other artists when driving vehicles on the Festival grounds and setting up your tent. A couple of years ago, a fellow artist ran over an upright to our tent and drove off, unaware of the damage. It was very inconvenient to replace. If you feel a bump as you leave, please stop to assess the damage. It may have been a fellow artist.

Because we need to keep the field open to bring in the large tents for food, stage, childrens' tent, etc. on Thursday morning. The only people permitted to set up early are Board members, who are needed to help others with set up in the afternoon. If this causes you hardship, please phone 208.725.4090 at least a week prior to the Festival to make arrangements to set up earlier.

SET UP IS FROM NOON TO 8 PM ON THURSDAY, JULY 12.

You can bring your vehicle onto the field near your space during setup. Others also have work and tents to unload, so please move your vehicle as soon as possible. There is parking available on site at the back of Festival Field in the section opposite Sun Valley Rd.
